SUMMARY

Motivated Computer Science Engineering student seeking internship opportunities in Cybersecurity and IoT. Actively building strong fundamentals in programming, networking, and security concepts, with a keen interest in understanding system security and secure device connectivity. Eager to apply theoretical knowledge to real-world projects, gain hands-on industry experience, and contribute effectively in a collaborative learning environment. Curious, adaptable, and committed to continuous learning.

EDUCATION

2024- 2028

Easwari Engineering College

B.E. Computer Science and Engineering

CGPA - 8.37

2024

Everwin Vidhyashram

Higher Secondary (HSC) - 93.2%

EXPERIENCE

Dec-2025(Ongoing)

1M1B (One Million for One Billion), Online

INTERN - Online

AI + Sustainability AICTE Virtual Internship

PROJECTS

CAMPUS 360(ONGOING) | HTML , CSS , Javascript , Java :

Developing an all-in-one campus management website to streamline activities such as OD processing, complaint management, and student doubt clarification through a unified digital platform.
